

Hampton Roads Bridge-Tunnel

Commonwealth Transportation Board Briefing

May 15, 2018

Stephen C. Brich, P.E.
Commissioner

Project Scope

- Between Settlers Landing in Hampton and I-564 in Norfolk
- Improvements in I-64 including the construction of a new HRBT tunnel
- New HRBT tunnel will serve Eastbound traffic
- 2 existing HRBT tunnels will serve Westbound traffic

Review of Progress to Date

- In December 2016, CTB issued resolution endorsing “Alternative A” as the Hampton Roads Crossing Study preferred alternative
- April 3, 2017 – VDOT conducts an Industry Forum to gauge private sector interest in the Project
- June 12, 2017 - FHWA has issued a Record of Decision, and VDOT has conducted extensive financial and technical analysis to refine preferred alternative
- July 18, 2017 – CTB briefed on inclusion of Project in regional 40-mile Express Lane Network.
- July 20, 2017 – HRTPO votes to include Project in Express Lane Network
- December 12, 2017 – PPTA Steering Committee is briefed on Public Sector Option Analysis
- January 9, 2018 – Commissioner signs Finding of Public Interest (FOPI)
